

# SHEAFFER'S SELF FILLING PEN

**S**AFE, SANE AND PRACTICAL is the answer given by thousands of users of this Perfected Fountain Pen—a pen built for all practical purposes.

Self Filling, Self Cleaning and Non-Leakable—all three features found separately in some fountain pens, but combined in one in the SHEAFFER.

Can be carried in any position safely and you can always depend upon its writing at the first touch to the paper.

A perfectly smooth barrel and a simple filling device that fills full at each operation.

A Pen that is GUARANTEED to give satisfaction, with no strings tied to the guaranty.

Every purchaser of a SHEAFFER Pen is not only protected by the dealer from whom he purchased the pen, but also by the manufacturer, regardless of where the pen was purchased.
